

REACH REWARD DAY POLICY

Each term, our eligible students will be able to enjoy the MPS REACH Reward Day Activity on the last day of term. These activities are not a pre-requisite for our students, and there are very few schools who continue to offer such activities, due to the cost involved and the extra workload and responsibility placed on teachers. However, REACH Reward Days at Mandurah Primary School are valued highly, and we will continue to offer these while we have staff willing to undertake the extra workload and responsibility.

As this is a privilege and not a right, there are criteria every child needs to meet in order to be eligible to attend. Students need to maintain **Good Standing** as per the schools Good Standing Policy. Please note that the Principal also has final discretion of student eligibility as per the schools good standing policy. To be eligible for REACH Reward, students need to ensure that they have not undertaken the following:

- Any suspension, written or verbal or intent to Suspend
- 5 or more white slips in a five-week period
- Leadership students who fail to complete agreed tasks and responsibilities, as deemed by Principal.
- Student behaviour is ongoing and does not improve, as deemed by Principal.
- Repeatedly not following dress code and interventions have not resulted in an improvement, as deemed by Principal.
- There is no improvement in lateness or attendance rate after intervention detailed in attendance improvement plans as deemed by Principal.
- Any confirmed truanting, as deemed by Principal.

Below are the termly activities. Please note these are subject to change:

| | |
|--------|-----------------------------|
| Term 1 | Water Obstacle course |
| Term 2 | Minute-to-win-it |
